

# Rider and Requirements

## Bill Herz – Contract Rider

The following items are to be supplied by the sponsor at least 1 hour prior to the performance for set up:

- One six-foot or eight foot schoolroom table. Table should be skirted.
- One flip chart with easel and markers.
- One large empty dinner plate. One empty drinking glass. One chair.
- One inexpensive item with the company logo on it such as a t-shirt, cap, mug, etc.

### Staging

If the audience size exceeds 80 people, it is recommended that there is a riser at least 12 feet deep and 20 feet long. If the stage is to be shared with a band, please call to discuss. If the room is rectangular, place the stage in the middle of the long side of the rectangle. The room then becomes more intimate and makes for a better show.

### Sound

- One wireless lavalier microphone.
- One wireless hand held microphone with stand. If possible stand should have round base.
- One CD player hooked into house system set up across the room from the stage.

### Lighting

No special lighting is needed if the stage is easily viewed with the house lights up. However, if it is a dark room, a general stage wash is suggested. A spotlight is not needed if you weren't planning on having one anyway.

### Other

To insure the most intimate show, the banquet tables should be set up as close to the stage as possible.

## **Please Call To Discuss If**

There is going to be a dance floor in front of the stage or if the performance is going to be outdoors.

## **Introduction**

The introduction Bill likes is:

**Please welcome the world's greatest magician...in his price range...Bill Herz!**
