

THE BUZZCATZ

Contract Rider

1. Stage Size:

At least 16' wide x 12' deep to be provided by the purchaser/client.

2. Sound System:

The Buzzcatz come self contained with sound system for audiences of 400 people or less. For larger venues, appropriate sound reinforcement will be provided by the purchaser/client. We will provide our own house/mix technician on such occasions.

3. Stage Lighting:

The stage lighting will be determined and provided by purchaser/client. Four (4) par 64 cans on trees on each side of the stage with colored gels works best for The Buzzcatz.

4. Set up:

The Buzzcatz will be set up and sound checked thirty (30) minutes prior to showtime, unless otherwise arranged by the purchaser/client.

5. Dressing Room:

The Buzzcatz will require a separate dressing room/ break room containing:

*Meal service or deli platter with condiments, snacks, water, soft drinks, and coffee service set for 8 people upon arrival.

*Chairs, mirror, coat rack, electrical outlet.
