

THE RIDER

Incognito Artists (formerly Tenors & Divas Incognito) has entertained at a huge variety of corporate, private, charity and sporting occasions. Our aim is to surprise and entertain you and your guests with a repertoire of songs performed by extraordinarily talented professional performers.

The Acts are premium entertainment offerings performed by top class West End performers. The quality of the sound equipment and professionalism of the engineer directly impact the quality and success of our performance. In order for us to deliver the best possible performance we need the sound equipment to be top quality and able to handle three powerful and professional Opera voices singing through them.

So, where the equipment is not being provided by the Incognito management, please ensure that the requirements below are fully understood and provided, by the client as well as the sound engineer. We will work closely with any sound engineer provided by the client, but will not accept responsibility for their incompetence or unprofessional behavior.

NB: also ensure that a copy of this Rider has been seen by the person or company providing the sound.

Sound requirements - these requirements are essential to the success and quality of the performance

FOR ALL ACTS

- **Professional quality PA system with reverb, suitable for the size of venue and no. of people attending** – the PA system must be suitable to amplify strong, professionally trained Opera voices
- **Speakers positioned appropriately to cover the venue** - In small rooms it may be appropriate to have speakers in each corner of the room. In larger rooms, more speakers may be needed. Please discuss with Incognito Artists if you have any doubt.
- **4 matching cordless handheld radio microphones** – must be broadcast quality Shure Beta 87 Heads
- **Dual CD Player of professional quality** - i.e. not a personal Discman / walkman
- **Experienced sound operator** - must be present during the sound check and performance to cue tracks and adjust the levels and volume

OPTIONAL

- **Staging/raised area** (preferable as it often gives the audience a better view of the singers)
- **Stage Wash**
- **Follow spots** (preferable for large audiences and drinks receptions)

FOR DANCERS INCOGNITO PERFORMANCES ONLY

- **3 microphone stands**
- **Dance floor with color wash and sound activated lights** (optional)
- **We provide reinforced graphite, kevlar staging**

Important Notes

- It is the client's responsibility to ensure that any specific clothing is made available e.g. waiter's uniforms
- Sound check must take place at least one hour prior to guests arriving.
- For safety reasons we ask that all catering service must cease during the Acts.
- The duration of the Acts is between 20-25 minutes.
- A hot meal and refreshments for the performers and sound engineer, if provided by the Incognito Management.
- A secure changing room must be provided for the performers.
